## THE LATEST FIGURES

The Contest Still Undecided in Several States.

**VERY CLOSE IN CONNECTICUT.**

It is Probable that the Legislature Will Elect New Hampshire's Governor.

McKinley and Cannon Defeated—Pattison's Plurality in Pennsylvania Estimated at 10,000—A Surprise in Kansas and Senator Ingalls in Danger—Peck Receives Over 30,000 Majority.

New York, Nov. 6.—Several politicians from nearby States are at the Hoffman House and Fifth Avenue Hotel to-day, and the general discussion is the result of Tuesday's election.

Returns from close Congressional districts and Connecticut and New Hampshire are eagerly looked for, and the contest for the control of the New York Legislature is becoming interesting, as the result may give the Democrats a United States Senator.

**THE NEW YORK FIGHT.**

Both Parties Claim the Legislature on Joint Ballot.

ALBANY, N. Y., Nov. 6.—A strange and unexpected thing has happened. From the most accurate figures at hand it seems probable that the Legislature will be a tie on joint ballot.

All day the returns have been changing fitfully in the outlying Assembly districts. This morning it seemed that the House was Democratic by a safe majority. Now the leaders of both parties here claim it.

Rumors of attempts at counting out in close districts are already afloat on both sides. The Republicans say the rumor was started from the Executive Chamber, and that Messrs. of the 1st Dutchess District and Rose of Sullivan are marked as victims.

The Democrats allege that ex-Senator Platt has sent out orders to contest all close districts, and that the 4th, of Albany County, is one of those in danger.

In the Executive Chamber Governor Hill is watching the results announced with a critical eye. Before him lies constantly a carefully prepared table on which is noted every change and rumor in connection with the Assembly. This table indicates that the next House will probably contain 61 Republicans and 67 Democratic members. But the Governor's private dispatches hint that the result is not yet settled.

**PATTISON'S PLURALITY.**

The Latest Returns from Pennsylvania Give Him 10,000.

HARRISBURG, Pa., Nov. 6.—Complete returns give Pattison, Dem., for Governor, 10,000 net plurality over Delandter, Rep. Watres, the Republican candidate for Lieutenant-Governor, and Stewart, Republican candidate for Secretary of Internal Affairs are elected, notwithstanding the defeat of the head of the ticket.

In the third Congressional district McAleer, the regular Democratic nominee, is elected over Vaux, Independent Democrat and Republican, by nearly 3,000 majority.

The city of Philadelphia, with every precinct except one, has elected the Democrats. The regular Democratic nominee, is elected over Vaux, Independent Democrat and Republican, by nearly 3,000 majority.

PHILADELPHIA, Nov. 6.—The Legislative and County Republican tickets are both elected by the usual majority. In the 23rd Congressional district Daize's majority was 6,000. Two years ago Daize's majority was 9,643.

The latest returns from the 28 Congressional districts of the State show the election of 18 Republicans and 10 Democrats. The present delegation from this State stands 21 Republicans and seven Democrats.

**IN MASSACHUSETTS.**

Russell's Majority Estimated at About 10,000.

Boston, Mass., Nov. 6.—The following is the total vote for Governor in this State by Congressional districts: For Russell, Democrat—First district, 7,190; Second, 11,157; Third, 14,759; Fourth, 13,818; Fifth, 12,806; Sixth, 14,086; Seventh, 10,714; Eighth, 11,336; Ninth, 11,568; Tenth, 10,038; Eleventh, 12,177; Twelfth, 12,072. For Brackett, Rep.—First district, 9,000; Second, 11,834; Third, 11,907; Fourth, 4,668; Fifth, 11,369; Sixth, 14,348; Seventh, 12,704; Eighth, 10,371; Ninth, 11,282; Tenth, 10,976; Eleventh, 10,888; Twelfth, 11,261. Totals—Russell, 141,191; Brackett, 130,527. Russell's majority, 10,664.

The Democrats have the largest majority on record in the Lower House of the Legislature, having not less than 100 members against 78 last year, and from 17 to 19 Senators against 11 last year.

Lieutenant-Governor Hall gives through with 3,400 plurality, but Auditor Ladd is beaten by William T. Trefry by 6,555 plurality, the first Democrat chosen to any of the lesser State offices since the first year of Republican administration.

**DELAWARE COMPLETE.**

The Democrats Elect the Governor and Carry the Legislature.

WILMINGTON, Del., Nov. 6.—Complete returns from the whole State give Reynolds, Dem., for Governor, 445 majority, and Ausley, Dem., for Congress, 514 majority.

The city of Wilmington has gone 414 Republican on the head of the ticket. The Republicans elect their county ticket in New Castle County by 826 majority. The Legislature will stand: Senate, Democrats 5, Republicans 4. House, Democrats 14, Republicans 7. There is no United States Senator to be elected.

The Prohibitors, who had a full ticket in the field, polled about 150 votes in the whole State.

## LATEST FROM NEW JERSEY.

The Democrats Control Both Branches of the Legislature.

TRENTON, N. J., Nov. 6.—The latest returns show that the Senate, usually controlled by the Republicans and always close, will have a Democratic majority of five. Democratic representatives were elected in Warren, Essex, Union, Somerset, Monmouth, Salem and Gloucester. The Democrats claim the Assembly by twenty-six majority. This will throw valuable patronage to the Democrats, who have made large gains for Congress.

To the Senate Camden County sends Maurice A. Rogers, Rep.; Essex County sends M. T. Barrett, Dem.; Gloucester County, Joseph B. Roe, Rep.; Monmouth County, T. S. B. Brown, Dem.; Salem County, S. T. Starr, Dem.; Somerset County, W. J. Keys, Dem.; Union County, Frederick Marsh, Dem.; Warren County, Johnson Cornish, Dem.

The following are the majorities secured by the Assemblymen—First district—Mullone, Dem., majority 139; Second district—Byrnes, Dem., majority 163; Third district—Smith, Rep., 76 majority; Fourth district—Moylan, Dem., majority 394; Fifth district—Potts, Rep., majority 211; Sixth district—Puster, Dem., majority 175; Seventh district—Mason, Dem., majority 1,418; Eighth district—Boyle, Dem., majority 1,009; Ninth district—Daly, Dem., majority 1,851; Tenth district—Usher, Dem., majority 1,282.

Congressman Buchanan claims his re-election in the 2d District by 1,000 majority. The Democrats elect Congressmen in the 3d, 4th, 5th, 6th, and 7th districts. Bergen, Rep., is elected in the 1st District.

The next State Senate will stand—Democrats, 18; Republicans, 7; Independent Democrats, 1.

The Assembly will stand—Democrats, 39; Republicans, 21.

**INGALLS IN DANGER.**

The Farmers and Democrats Combine and Capture Kansas.

KANSAS CITY, Mo., Nov. 6.—The Republican candidate for Governor is beaten; six out of seven Congressional candidates defeated; Senator Ingalls's re-election a subject of grave doubt. This is the situation in Kansas.

Eighty-two thousand Republican majority has been overcome. The Farmers' Alliance did it, and it was a genuine surprise. The chances for the Democrats gaining in some districts are bright, but no such overtaking of Republican majorities was expected. For the first time in many years the Republican delegation is broken. Only one Republican is elected, Hon. F. H. Fustler, from the 2d District.

The Farmers' Alliance and the Democrats waged a bitter campaign against Senator Ingalls, whose term expires in 1891, and in majority of the districts combined on one candidate against the Republican candidate. The result is the certain election of 95 Farmers' Alliance and Democratic Legislators against 39 Republicans. Some of the latter may vote for Ingalls, but his opponents claim that there will be a majority of six against him.

**BOTH CLAIM ILLINOIS.**

The Returns Not All in, But the Republicans Have the Lead.

CHICAGO, Nov. 6.—In the 4th Illinois District, Newberry, Dem., elected by a plurality of 987.

Estimated returns from 64 of the 103 counties of Illinois, which returns include plurality given Newberry, Rep., 12,892 plurality over Wilson, Dem., for State Treasurer, and Edwards, Rep., 8,964 plurality over Raab for State Superintendent of Public Instruction.

As returns complete, the majority from Chicago and Northern Illinois counties, Republican strongholds, and both Democratic candidates are from southern Illinois, the present Republican plurality will probably be radically decreased, as later returns come in. Both State Central Committees claim the State.

Congressman Cannon admits that he is defeated.

**MINNESOTA CLOSE.**

Both Parties Neck and Neck for the Gubernatorial Vote.

MINNEAPOLIS, Minn., Nov. 6.—The gubernatorial vote is very close in Minnesota. Twenty-three counties give Merriam, Rep., 23,645; Wilson, Dem., 23,178; Owen, Alliance, 18,905. This does not include Hennepin County (Minneapolis) which gives Wilson 9,000 plurality, nor Ramsey County (St. Paul) which gives 1,500 for Wilson. The Democrats are claiming the State.

Slater, Rep., is defeated by Castle, Dem., for Congress in the 4th District; O. M. Hall, Dem., defeats D. S. Hall, Rep., in the 3d District; and Harries, Dem., wins over Dunning in the 1st District. The 2d and 5th districts are doubtful. The Democrats made nearly a clean sweep on city, county and legislative tickets in this county.

**RESULT IN WISCONSIN.**

The Democrats Claim the State by Over 30,000 Plurality.

MILWAUKEE, Wis., Nov. 5.—The chairman of the Republican State Central committee at this hour gives the State and Legislature to the Democrats and says Wisconsin Congressional delegation will stand six Democrats, three Republicans.

Thomas, Rep., for Congress in the 7th District is defeated by a small majority. LaFollette, Rep., is beaten in the 3d District by 1,200, and it is believed that McCord has been defeated in the 9th. Advertisements received this morning show a sure re-election by a small majority.

E. C. Wall, Chairman of the Democratic State Central Committee claims the State by 35,000 plurality.

**The New York Legislature.**

ALBANY, N. Y., Nov. 6.—Colonel Williams, the Governor's private secretary, states that the next Assembly will have 68 Democratic members sure. He estimates that the Republicans have elected 59 members, and claims that the result in the 1st Dutchess County District, the last Wayne County District and the Montgomery County District is still in doubt.

## THE LEADERS TALK

Tuesday's Defeat Discussed by the Statesmen.

**GROVER CLEVELAND SPEAKS.**

He Says He is Proud of His Countryman and Tariff Reform.

Secretary Noble Waiting for the Final Returns—He Thinks a Democratic House Will Elect a Republican President—Read Refuses to be Interviewed—An Opinion from England.

WASHINGTON, Nov. 6.—Politicians in this city are busy going over the returns received from the several states and it will be some time before the leaders will be prepared to tell their followers the real cause of Tuesday's defeat.

Secretary Blaine will not talk about election, but will converse freely on every other topic.

**SECRETARY NOBLE'S VIEWS.**

He Thinks a Democratic House Will Elect a Republican President.

WASHINGTON, Nov. 6.—Secretary Noble was in a cheerful mood when a reporter called upon him to ascertain his views of the election, but he adroitly refrained from committing himself, freely giving an intimation that he "never acknowledged defeat until the back counts had been heard from."

He remarked that he was a great believer in philosophy. "By that I mean," said the Secretary, "that if the Democrats had succeeded in gaining the House, I believe it ensures the election of the next Republican candidate for the Presidency."

The Secretary would not concede the defeat among the Republicans had been moved under in his State (Missouri), preferring first to hear the final results before talking.

**MR. CLEVELAND'S OPINION.**

The Ex-President Thinks the Necessity of Tariff Reform Has Been Demonstrated.

New York, Nov. 6.—Ex-President Cleveland in an interview on the results of the election said: "I am delighted. I challenge the right of any man in the country to rejoice more heartily than I over the results. My gratification is that of an American, proud of his fellow countrymen, who have won a victory of confidence in cunning and selfish leaders could not be deluded to their ruin."

"Of course, nothing for the Democratic party to do but to push on the battle for tariff reform at all times and in all places on the lines which they have laid down—that is, to insist upon a wise adjustment of tariff taxation to the reasonable needs of the Government, as opposed to the plan which enriches a favored class at the expense of the masses of the people. Until victory is won, the question of tariff reform will not be settled nor the pledges and professions of the Democratic party to the people redeemed."

**SEEN FROM ABROAD.**

The English Newspapers Comment on the American Elections.

LONDON, Nov. 6.—The newspapers print pretty full accounts of the results in the American elections, but comment only briefly upon the figures, reserving editorial treatment of the subject until the returns are complete.

The tone of such comment as is made indicates a belief that the defeat of the Republicans is attributable to popular disapproval of the McKinley tariff measure.

Several prominent public men who have been interviewed declare that the result of the elections shows that it was not the American people, but only a handful of unwise politicians who were responsible for the exaggerated protectionism embodied in the McKinley bill.

**THE SPEAKERSHIP.**

Candidates Plentiful in Number and Several from the South.

WASHINGTON, Nov. 6.—Although the Representatives elected Tuesday will not take their seats for 18 months, the contest for the Speakership will begin with the reassembling of Congress four weeks hence.

The candidates will be plentiful in number and will include every would-be English leader of the Democratic majority.

The South will present Mr. Crisp of Georgia, Mr. Hatch of Missouri, Mr. McMillan of Tennessee, and Mr. Mills of Texas.

As stated in the previous article, the will be Mr. Byrnes of Indiana and Mr. Springer of Illinois. Congressman-elect Lockwood of Buffalo is also mentioned.

**Cause of the Defeat.**

WASHINGTON, Nov. 6.—"Washing day," paying old scores," is generally given by prominent Republicans here as the cause of the general defeat of Tuesday. A cabinet officer who gave the above as the reasons for the Democratic victory, said it was undoubtedly true that in New England the tariff had operated against the Republicans, and from his observation tariff reform sentiment was spreading in that section.

**Mr. Wanamaker Will Not Talk Politics.**

WASHINGTON, Nov. 6.—Postmaster-General Wanamaker on his return to Washington at once proceeded to dispose of the mass of business accumulated during his absence. He denied himself to all callers. His private secretary spending for him, however, said that Mr. Wanamaker "did not care to talk politics."

**The President in Washington.**

WASHINGTON, Nov. 6.—President Harrison reached Washington about 6 o'clock last evening on his return from Indianapolis. He refused to be interviewed about the election.

**The Next Congress.**

WASHINGTON, Nov. 6.—The latest returns indicate that the next Congress will be: Democrats, 342; Republicans, 88; United Labor, 1; no election, 1. Democratic plurality, 164.

**Myron B. Wright Elected.**

SUBQUANNA, Pa., Nov. 6.—Myron B. Wright, Rep., is elected to Congress from the 18th District by about 1,500 majority.

## McKINLEY DEFEATED.

Warwick Has a Majority of Nearly Four Thousand.

COLUMBUS, O., Nov. 6.—In the 16th district the remarkable run made by Major McKinley was a surprise to Democrats and a delight to Republicans. He cut down a 2,000 adverse majority to 400. It is said that he has not slept four hours a night since October 7, and some nights in freight train cabooses. He has traveled thousands of miles in trains and carriages and made 58 speeches. The vote in McKinley's District, official and unofficial, gives Warwick a majority of 431.

Ex-Governor Foster is defeated by about 800 plurality. All the close and doubtful Congress districts have dropped into the Democratic column.

WOODMAN, O., Nov. 6.—Owing to the non-arrival of returns from two precincts official count could not be made. Warwick will have 391 majority over McKinley, Cronley 887 over Ryan. This is based on returns received at Democratic headquarters.

The Chairman of the Republican Committee says Warwick will not have over 390. Greater interest is manifested than in any election ever held in this county.

**IN NEW HAMPSHIRE.**

No Choice and the Legislature Will Elect the Governor.

CONCORD, N. H., Nov. 6.—Returns from all but 20 towns in the State give Tuttle, Rep., for Governor, 39,181; Amaden, Dem., 38,437; Fletcher, Pro., 1,233. In 1888 these 20 towns gave Goodell, Rep., 2,535; Amaden, Dem., 2,773; Carr, Pro., 96. In 29 cities and towns Tuttle leads Amaden 704.

There will be no choice and the Legislature will elect. The Republicans elect 18 Senators and the Democrats 8. In three districts there is no choice. The House is very close, both parties claiming it by a small majority.

McKinley, Dem., carries the 1st Congressional District by a good majority, and Daniel, Dem., the 2d by a very narrow margin.

**IOWA'S VOTE.**

The Republican State Ticket Has a Plurality of 7,000.

DES MOINES, Iowa, Nov. 6.—The plurality for the Republican State ticket is in round numbers 7,000. Congressmen Henderson, Struble, Hull, Flick and Doliver are surely elected. The Democrats have elected Hayes in the second district. A few districts are doubtful with probabilities most of them in favor of the Republicans.

**Congressman Wallace Defeated.**

BROOKLYN, N. Y., Nov. 6.—A revision of returns from the Third Congressional District indicate the election of Coombs, Dem., by a majority of 14 over Wallace, Rep., the sitting member. Mr. Wallace was elected to the 51st Congress by a majority of 2,443.

UTICA, N. Y., Nov. 6.—Van Horn, Dem., is elected to Congress for the long term in the 24th district and Pindar for the short term.

**Breakridge Elected.**

LITTLE ROCK, Ark., Nov. 6.—Returns received at Republican headquarters indicate the defeat of Langley, Union-Labor, in the 3d District by Breakridge, Dem., and Featherstone, Union-Labor, in the 1st District by Cate, Dem. The Farmers' Alliance voted solidly with the Democratic party.

**THE SITUATION IN INDIANA.**

INDIANAPOLIS, Ind., Nov. 6.—The Democrats will have a majority in both branches of the Legislature.

**THREE KILLED.**

Disastrous Wreck on the New York, Ontario & Western Road.

SCRANTON, Pa., Nov. 6.—A wreck occurred on the New York, Ontario & Western Railroad last night at a point between Carbondale and Mayfield.

An engine, trying to make a switch, crashed into a passenger train running at full speed in the opposite direction. The engineers and firemen jumped and were only slightly hurt.

Charles Finnegan, a man named Burke and another, name unknown, all passengers, were killed and several other passengers were severely injured.

**Free Speech in Canada.**

OTTAWA, Ont., Nov. 6.—Sir John Macdonald said that if Dillon or O'Brien came to Canada they could not be prevented from exercising the right of free speech. They were British subjects and members of Parliament, and even if they were subjects of a foreign country with which England was not at peace they could not be molested. He felt sure no attempt would be made to interfere with their movements.

**An Elevator Falls.**

PHILADELPHIA, Nov. 6.—The wire rope of an elevator in the works of the Edison Electric Light Company on Sansom street, this city, broke, precipitating the car from the third story to the cellar. Three employees were in the car. John Taylor, aged 40, and Jesse Booth, aged 30, were probably fatally injured. James Costello was badly hurt, but will recover.

**Mrs. Patti III.**

LONDON, Nov. 6.—Mrs. Patti was announced to sing at Leicester to-night, but it is hardly probable that she will be able to do so. She is confined to her bed in Leicester suffering from the effects of a chill contracted at a concert at which she sang in London on Monday. A prominent specialist has been summoned from Birmingham to attend her.

**Hanged Himself in His Cell.**

SARS SING, N. Y., Nov. 6.—Jacob Gensheimer, aged 25 years, a convict in Sing Sing prison, committed suicide by hanging himself with a sheet in that institution. As John Derry, a fellow convict, was passing his cell at about 8 a. m. he peered in and was surprised to see the body of Gensheimer hanging suspended from the ceiling, lifeless.

**Several Mills Burned.**

HARTFORD, Conn., Nov. 6.—Williams Brothers Manufacturing Company's mills south of this city were destroyed by fire last evening.

**Five Republican Congressmen.**

WASHINGTON, Nov. 6.—Private dispatches received here from San Francisco say that five out of six Republican Congressmen from that State are elected.

**3,000 Shoemakers Locked Out.**

LONDON, Nov. 6.—Three thousand shoemakers have been locked out in the Woburn district.

**Reid & Hughes**

**Good Things Are**

**LACE CURTAINS**

We have just received a large assortment of Lace Curtains, including some entirely new and original designs, and offer them
